SOURCE

1. The Pai Ch'iu En (白求恩) Medical University, under the direction of the Chinese Communists, is located at Tanghsien (114-58, 38-45), in western Hopei Province. Courses at the university are taught in Japanese or German.

2. The majority of the professors in this university are Japanese, under the leadership of one HIKADA (加田). HIKADA, 54 years of age, is a graduate of the Manchurian University (sic); his official position is head of a district sanitation (medical) department in the Shansi-Chahar-Hopei area.

3. There are also a number of Formosan professors at the university, most of whom are also graduates of the Manchurian University.

25X1A

Comment. It is possible that the "Manchurian University" mentioned above refers to the National University (Kenkoku Daigaku, 建國大學), established by the Japanese in Hsingking (Changchun) during the Manchukuo regime. See [redacted] for further information on graduates of the "Manchurian University".)
